BIBLIOGRAPHIES CONSULTED
by University of Washington Libraries
80 titles**

Overview

The following titles were consulted by the University of Washington Libraries when creating the agriculture, forestry, and fisheries bibliographies as part of the *Preserving the History of U.S. Agriculture and Rural Life Grant Project* funded and supported by the National Endowment of the Humanities (NEH), Cornell University, the United States Agricultural Information Network (USAIN), and other land-grant universities. Please note that this is simply a list of bibliographies consulted; some bibliographies were more useful than others.

More information, including other lists of forestry and fisheries titles filmed, how to order microfilm, and the *Preserving the History of U.S. Agriculture and Rural Life Grant Project* for Washington State can be found at:
